

2020 NJBA Hall of Fame Nominating Petition

Each year, award shows pay homage to recording artists, songwriters, bands, actors, musicians, or other personalities in countless venues around the globe. After a lifetime of accomplishment, many of these celebrities are often paid a time-honored tribute and inducted into their particular industry's "Hall of Fame."

After having the honor of serving on our New Jersey Hall of Fame's Board, the NJBA was struck by the overwhelming fact that most of the Garden State's most well-known and successful luminaries were indeed all made famous by the very medium we create, promote, produce, nurture, maintain and love: broadcasting!

To be sure, New Jersey broadcasters are very, very "Jersey" proud of our accomplished artists and celebrities who can boast about their humble beginnings in the Garden State.

But, had it not been for New Jersey broadcasters, many would have never gotten their start or ever been heard of outside of the penumbra of their neighborhood street lamps.

And so, we took special pride in the establishment by of the

NEW JERSEY BROADCASTERS HALL of FAME.

The NJBAHOF is a virtual monument to the many radio and television pioneers and personages who established, innovated, contributed to, supported, and nurtured broadcast stations around the state, serving on and off the air, making New Jersey broadcasting and broadcasters legendary.

This year, we will be inducting our 2020 Class of NJBA Hall of Fame Inductees at our 72nd Annual NJBA Convention and Gala in Atlantic City on June 16th & 17th! In that regard, we ask our members to submit nominations of New Jersey broadcast luminaries for consideration for induction.
